Notes from the conversation with Emanuel that Schuyler, Joshua and I had with Emanuel on 6.6.24:

DIP lender had dinner w/Michael

Michael said to Emanuel that it's been a year since Woody's had the sale mandate, concerned that if the deal didn't happen, "this is going to ruin my family"

Michael never told Emanuel the price

Michael asked Emanuel, "do you want to work with Woody", Emanuel claims he responded "no, he's got two months to go, I'll just wait"

Michael called Emanuel to ask "can you help" get debt for Michael to do the work himself

Emanuel said that's a terrible idea, and that he wouldn't be able to finance the Sklars as borrowers

During the 11/23 call, Emanuel said he had three buyers who might be interested.

He says that during that call, Michael was "really panicking"

Emanuel called the Sklars back on 1/1/24 to arrange access for Sunlight, who was the only buyer

Emanuel approached, thinking they were so interested, he didn't need to contact the others.

He brought Lin (president of Sunlight) into the building at 10am on 1/2/2024

"Mike" never gave Emanuel a price

Lin asked Emanuel to come to his office a week later

Emanuel told him a price of \$62M, and Lin offered \$58M

Emanuel said the Sklars "wanted me to succeed"

Emanuel said that "Mike gave me (Woody) 3 weeks with CNY"

Lin showed proof of funds for \$200M

Mike quoted a price of \$64M towards end of January, by which time CNY's LOI had expired

Lin offered \$62.8M and the parties went to contract right away

According to Emanuel, "Mike said I want to give Woody every opportunity to make it happen"

He made Lin & Emanuel wait 3 weeks to move forward

Emanuel said he called the Sklars once over the summer of 2023 because he hadn't heard anything about the deal from the lenders in the market about financing a buyer, which led him to believe no deal was getting done

The DIP loan that Emanuel worked on took a year to get done.

In October 2023 Emanuel called Michael after Michael had dinner w/Goodman – the DIP lender.

Again, Emanuel said "Michael was scared and concerned"

Emanuel repeated himself: "Mike wouldn't say the price", Mike asked if Emanuel would work with Woody. Emanuel said no

In 2/2023 a friend of Emanuel called him to contact the family to confirm they got that bidder's offer

Emanuel's recollection of the November 2023 conversation:

the sale's never going to happen, Michael needs Emanuel to get him a loan to do himself, sends Emanuel the email with the plans.

Emanuel claims he already had the plans from when he arranged the DIP loan

Emanuel claims that Michael told him "Woody has it until the end of the year"

Again, Emanuel said, "Mike never gave a price"

Emanuel said activity picked up Nov/Dec, and that he heard from other potential buyers looking for financing

Again, Emanuel said that in October Michael asked him if he wanted to work with Woody and Emanuel said no.

Emanuel spoke to the three most logical bidders and only heard back from David Shorestein who put in an offer with Keith Rubenstein in Feb 2023.

When did Emanuel first contacted Lin? – he said he "doesn't remember"

Emanuel first mentioned Lin to Sklars on 1/2/24

Emanuel said he does \$500M of loans w/Sam Chang

Emanuel knew Lin wanted to make a big splash in Manhattan

Lin had only done stuff in Manhattan previously as a builder, not a developer

ABOUT US | Sunlight Development

sunlightgroupny.com/about-us

FOUNDED IN 2002

Sunlight development group, which is headquartered in Brooklyn, was founded in 2002 by Mr. Yang Fang Chen as a general contractor servicing small residential projects.

After bringing on Mr. Lin Zhuo in 2010, the firm began to take on larger projects while beginning to also develop their own. Mr. Zhuo, who is an engineer by trade, began to grow the infrastructure of the company by hiring the best and brightest.

Today the company has grown to over 35 employees and has developed into one of the most reputable developers and general contractors throughout Brooklyn and Queens. The firm is a fully integrated developer and offers a wide range of construction services from general contracting to construction management along with an array of consulting services. Sunlight specializes in ground up condó, multifamily and office construction projects. They have developed over 2 million square feet since the company's inception and currently have more than 500,000sq ft. under development.

Mr. Zhuo graduated Magna Cum Laude from West Virginia University, majoring in electrical engineering, and has always had a passion for introducing opportunistic real estate investment opportunities to investors. Having already accumulated years of real estate development experience and given his deep connections with the New York City real estate market, Mr. Zhuo aims to maximize the success of Sunlight's NYC real estate portfolio.

Yangfang Chen

Founder

Yangfang Chen is the founder of Sunlight Development Group, and a prolific NYC developer for the past twenty years. From humble beginnings as a carpenter, Mr. Chen worked his way up from home improvement and repairs, to construction, and finally to developing his own buildings, and becoming a community leader in Brooklyn and Queens. Utilizing his vast building and construction experience, Mr. Chen has a keen eye for profitable real estate opportunities.
